country, in the following extract: It is the determination of the Demo-eratic party to maintain free speech, a free press, and a free ballot, at all hazards. um for obedience to all laws, and for re-uiring the men in power to obey them, would try all questions of Constitution and isw before the Courts, and then en force the decrees of the Courts. I am but would endure almost every other would resist. We have a right to

The Avalanche opposes national reform through combination of Northern and Southern political agencies and, since no other means are left us, opposes reforms altogether. It favors APPEAL ", why does it take the post tion that the amendments are nult and void, and have no binding power. If they are amendments, why not acthat we have not denied their blading power while they stand unrepealed. But we deny the fact of their regular and legal adoption. Are we to under stand our neighbor as advocating the XIV, amendment, and the XV also, which it formerly so strenuously onposed? Does it advocate the continuit is an "accomplished fact," and give acts are an accomplished fact, Holden, Clayton and Kirk are all accomplished facts; and, according to our neighbor, "there is nothing more the APPEAL and Aralanche are obligatory." By the fact of their ex- "having it hot and heavy" as to the istence they have become sacred, and, like the Christian religion, not to be put down, nor resisted, by the ballot, nor by political means, and not by political association with the only men and the only power on this continent having the will to undo and reform.

According to this doctrine the power of istence they have become sacred, and, true policy of Democrats." It desires According to this doctrine the power party, does not common fairness reof the Radical party should be per- quire that it should be so explicit on petuated. The Avaluache denies af- this subject as that it should not injure with the Radical the Democratic party by being But its antagonism to mistaken for a Democratic reform may answer quite as well to support that party. The Appeal advocates reform by legal and constitutional means. The Arlanche contended for negro suff-rage and against the fifteenth amendment when the Appeal was equally ment when the Appeal was equally as some support that party is now not for purpose of discountenancing all violence and all disorder, and especially to prevent fraud and to urge our friends to work. We have great confidence that if the good men of the purpose of discountenancing all violence and all disorder, and especially to prevent fraud and to urge our friends to work. We have great confidence that if the good men of the purpose of discountenancing all violence and all disorder, and especially to prevent fraud and to urge our friends to work. We have great confidence that if the good men of the special telegram, and the Russian percentage of the purpose of discountenancing all violence and all disorder, and especially to prevent fraud and to urge our friends to work. We have great confidence that if the good men of the purpose of discountenancing all violence and all disorder, and especially to prevent fraud and to urge our friends to work. We have great confidence that if the good men of the purpose of discountenancing all violence and all disorder, and especially to prevent fraud and to urge our friends to work. We have great confidence that if the good men of the subject, and they very much doubted the report of the reached the Foreign of the subject, and they very much doubted the report of the reached the Foreign of the subject, and they very much doubted to prevent fraud and to urge our friends to work. We have great confidence that if the report of the reached the Foreign of the subject, and they very much doubted to prevent fraud and to urge our friends to work.

agonises again by supporting the fifteenth amendment, because for sooth that enormous wrong of force and fraud, that illegal demolition of rights reserved to the States is an "accomplished fact," sacred and "obligatory." Our neighbor is neither Radical nor Democratic, neither third party nor party at all neither independent nor consistent with himself, but falls flat, like a stray, bewildered goose, with a squawk and sprawl. He was against the Fifteenth Amendment, He is now for it. He once said the right of the States to control the franchise within their own limits could not be within their own limits could not be within their own limits could not be without safe and the part of the sacred of the most of within their own limits could not be legally overborne. He now thinks the triumph of wickedly used force has become sacred and obligatory.

In States to control the franchise within their own limits could not be legally overborne. He now thinks the triumph of wickedly used force has become sacred and obligatory.
